FR-75004 Paris

### Year of construction

2013-2014

### Planning contract

- Concept and development of the supporting structure
- Dimensioning and execution statics
- Verifiable statics

### Project description

The Centerparc Group opened a new leisure pool in the west of France in 2014. The Aquamundo impresses with its wide arched beams in glulam, which support each other. But Le Dome also impresses with its approximately 6'000m<sup>2</sup> roof area, supported by sloping stilts up to 9m high.
