

New build

## MONTE ROSA COTTAGE

**Client**

Schweizer Alpen Club SAC and ETH Zurich

**Architect**

ETH-Studio Monte Rosa

**Year of construction**

2007–2009

**Planning contract**

- Preliminary project
- Construction project
- Execution
- Construction management

**Project description**

On behalf of SAC and for the 150th anniversary of ETH Zurich, the new Monte Rosa cottage was developed by an interdisciplinary project team. The outstanding architecture with its excellent energy balance is second to none.

Our office, together with Reusser GmbH, was responsible for the structural soundness of the timber construction.

**Construction costs**

CHF 6.5 million
